CELTIC LIGHTNING

Join bestselling author **Ken McGoogan** as he explores Canadian roots and shows how the Scots and the Irish created a Canadian identity.

McGoogan highlights five of the values the Scots and Irish imported as foundational: independence, audacity, democracy, pluralism and perseverance. He shows that these values are thriving in contemporary Canada. Two charged traditions came together and gave rise to a Canadian nation. That is when Celtic lightning struck.

Ken McGoogan is the author of more than a dozen books, among them four about Arctic exploration: Fatal Passage, Ancient Mariner, Lady Franklin's Revenge, and Race to the Polar Sea. In September 2017, he will publish Dead Reckoning: The Untold Story of the Northwest Passage. Ken is a Fellow of the Royal Canadian Geographical Society. Every summer he voyages in the Northwest Passage as a resource historian with Adventure Canada.
